

Love Like Kylie

Dear Love Like Kylie recipient,

There once was a little girl named Kylie, who taught the world the meaning of LIFE, LOVE, COURAGE, STRENGTH, BRAVERY, and APPRECIATION. She was only 2 years old, but brought so much light and love into a dark and gloomy world. She spread her joy across 50 states and 47 countries. She taught us to love one another and to cherish every second you spend here on earth.

That is why I am sending you this letter! I want you to know how LOVED and IMPORTANT you are! Yup, YOU! God made YOU specifically for this world. He hand picked you to be YOU! The amazing person you are! He put you on this earth for a REASON. I want you to know there are people out there today thinking about you and praying for you! Things don't happen by coincidence, so you are also getting this letter for a REASON! You are truly LOVED and God wants you to know that! Life is so short, so go around spreading your LOVE. You never know whose life you might change!

I hope this letter brings you joy and a smile to your face!

1 John 3:16-18

“This is how we know what LOVE is: JESUS CHRIST laid down his life for us. And we ought to lay down our lives for our brothers and sisters. If anyone has material possessions and sees a brother or sister in need, but has no pity on them, how can the LOVE of GOD be in that person? Dear children, let us not LOVE with words or speech, but with actions and truth.”
